Guided Signing for a Lead-Based Paint Disclosure Form

Overview

The DocuSign Service allows you to receive a lead-based paint disclosure form, guides you as to what options to select, and how and where you should sign the form.

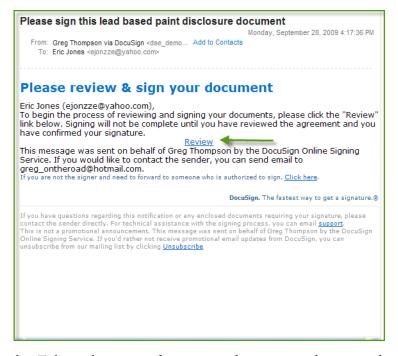

Use the follow steps to review and sign a lead-based paint disclosure form in the DocuSign Service:

- Open the email invitation from the Docusign Service
- Adopt a signature
- Review the document
- Sign the document

Opening the Email Invitation

If you have been sent an invitation to review and to sign a document, the invitation should be in your email Inbox.

1 Open the email from the DocuSign Service in your email program.

2 To begin the process of reviewing and signing your document, please click the **Review** link in the email.

Signing will not begin until you have reviewed the agreement and you have confirmed your signature.

The DocuSign Service launches another web browser and asks you to adopt a signature.

Accepting the Consumer Disclosure Statement and Adopting a Signature

The DocuSign Service asks you to adopt a signature, agree to sign the document electronically or by hand, and read and accept the Consumer Disclosure agreement.
